"THE NEWCASTLE DALES DASH"

(Incorporating the Margaret Barker Trophy)

Sunday 2nd December 2012 - 11.00am

This is the ninth time the race has been held. This year's main sponsor is AYNLEY CHINA once again supported by Bourne Sports.

Feedback from previous races has been found very useful and we have taken onboard some of the comments. If, after the race, you have any comments or suggestions of how the race can be improved, please let us know. Again this year the "Margaret Barker Trophies" will be presented as tribute to Margaret from her friends at Newcastle Countryside Project and Newcastle (Staffs) Athletic Club. Two trophies will be awarded; one for the first lady home and one for the first Newcastle (Staffs) Athletic Club lady. Both trophies have been donated. The 10K course is measured and certified as accurate. It is an off-road, multi-terrain route that undulates through Apedale and Lymedale. The third Newcastle dale,

Silverdale, can be seen on the right, at the top of the course, near Black Bank. The surfaces include tarmac, limestone, grass and a wooden boardwalk. Certain areas are expected to be wet and muddy and care must be taken, especially if there is a frost. Appropriate footwear should be worn for the prevailing conditions on the day. The race is open to runners aged 15 and over but is, regrettably, unsuitable for wheelchairs or cyclists. Please note that First Aiders will be in attendance on the day at the Visitor Centre and there will be drinks available at the finish. Parking is ample.
