

## NATIONAL 6 AND 4 STAGE ROAD RELAYS

### CLUMBER PARK, NOTTS, 13 October, 2012

Since the original cancellation of the road relays we are delighted to have received several offers of help. Of all the offers we had, including [Sandringham and Chatsworth], by far the most accessible, practical and agreeable for fast road-running, is the magnificent [Clumber Park](#) in Notts. Set in over 4,000 acres, it is truly a road runner's paradise.

Thus we will be staging the Senior Men's 6 stage and Senior Women's 4 stage at Clumber on **13<sup>th</sup> October**. Women's race 1.30pm, Men's race 2.30pm. The Young Athletes' Road Relays will be staged on the 14<sup>th</sup> April 2013 at Sutton Park; so they will get two competitions next year.

ENTRIES will be handled on line by Sports Soft (<http://www.race-results.co.uk/results/2012/index.php>). Closing date will be 10<sup>th</sup> October.

QUALIFIERS As is tradition, the women's race is open to all affiliated clubs. The men's is by qualification through their area championship (the first 25 teams). As the Midland championship did not take place, the first 25 teams in either 2009, 2010 or 2011 will be accepted.

VENUE & TRAVEL Clumber Park website gives directions for travel [here](#). The Park is some 20 minutes off Junction 30 of the M1. It is 4.5 miles from Worksop. There is a 1:21 train service from London King's Cross to Retford or a longer service to Worksop. Minicabs from Retford cost around £7; it would be advisable to book one before arrival.

PARKING This is gratis, very close to the start.

COURSE and PHOTOS We will be publishing course maps and photos very soon. The women shall run a 2km loop twice, and the men a 3km loop twice, thus making the race extremely spectator friendly. There are some light undulations, but generally the going is flat and fast. We'll also hand out course maps on the day.
