

Please find below full results from the South West Cross-Country Championships at Bicton College, Sunday 8th January 2012.

For next winter, we are considering moving the event to the second weekend in December, which would be Sunday 9th December. This would have the advantage of presenting a championship event before Christmas (there are currently several regional and national championships after Christmas for school age athletes, but none before). It would, however, make it harder for counties to hold their own championships and select their teams.

Please pass on any comments you may have on such a move, together with preferences for venue and any other thoughts you may have on the event to your county coordinator (see below). We will be meeting up in March to make a final decision.

Thank you everyone for helping to make Sunday's event a great success.

Neil Miller
