MESSAGE FROM ENGLAND ATHLETICS – ERRA 2017 ROAD RELAYS

On behalf of England Athletics, its members and the countless volunteers who run our sport, can I wish you all the very best of luck and great success in this weekend's road relays.

The National Road Relays hold a very special place in our domestic competition calendar and this weekend we will, once again, see not only fine performances from club athletes nationwide, but witness an event that unites the club community through the passion, spirit and determination of representatives from clubs of varied size, structure, demography and heritage. It is truly a celebration of all that is great about club running.

I would like to make a specific thanks to Mike Neighbour and the England Road Running Association as the organising body, and I would also like to thank the countless volunteer officials who will ensure that our club athletes benefit from a high-quality event over this weekend.

At England Athletics we actively work to support our member clubs, coaches, officials and competition providers, as these are fundamental in nurturing and sustaining longer term athlete participation and development and it is fantastic to see athletes apply their skills at competitions such as the annual road relays.

Many of the current crop of senior international endurance athletes have benefited from competing at this event in previous years, and no doubt there will be many more who we will see on the world stage in the future (and hopefully at the Commonwealth Games in the Gold Coast in Spring 2018!) who line up for their club with pride at the road relays this weekend.

I wish you all the greatest success (and weather!) for this weekend's event.

Chris Jones – CEO England Athletics

FOREIGN ATHLETES

Senior and Junior age group athletes who are registered with UKA as foreign athletes may represent their First Claim English Club in the ERRA Relays on condition that they can demonstrate bona fide and unbroken residence in the UK and have been registered with UKA by January 1st in the year of competition (2017 this year).

No limits are applied to the number of Foreign Athletes in a relay team in the National Relays.

The ERRA is committed to the development of English endurance runners and expects Clubs to adopt the above principle when selecting teams but recognises the valuable contribution made to many clubs by those Foreign Athletes who have chosen to live in the UK”

CHAIRMAN'S MESSAGE

Hi and welcome to the English Road Running Association National 6 and 4 Stage Road Relays.

A meeting of this nature takes a great deal of organisation and ERRA on behalf of the runners thank the City of Birmingham - Leisure and Culture for allowing us the use of the splendid facilities in Sutton Park and the Parks Management & Rangers for their assistance. Appreciation is expressed to Wyndley Leisure Centre management and staff for the use of their Centre and to all those who have helped in the running and organisation of today's event.

My thanks go to all those officials and helpers who have given their time so generously to ensure today's events take place. Thank you to the first aiders to whom we are always grateful for their attendance but hope they do not have a busy day. The ERRA is extremely pleased that START FITNESS have once again provided the numbers for the National Road Relays.

Finally my thanks to my fellow ERRA Officers involved in the organisation.

Mike Neighbour

Chairman, England Road Running Association.

THE ENGLISH ROAD RUNNING ASSOCIATION (ERRA)

ERRA has now been in existence for more than 13 years. It evolved from the AAA of England Road Running Management Committee with the objective of having a similar organisation to represent road running at England level as ECCA does for cross country. ERRA is now described as a "Special Association" under the AAA's and is affiliated to England Athletics and will continue to flourish under the new arrangement for athletics in England. Many joint ventures are planned with England Athletics so as to benefit road running in the future

The main activities of ERRA at present are as follows:

- organise the English National Road Running Championships, matches, competitions and Road Relays.
- select and manage teams to represent England in road running matches and competitions
- represent England on International road running affairs
- maintain the competition rules of UK Athletics in English Road Running Championships, matches and competitions.
- ensure events comply with the rules of the UK Athletics and International bodies in respect of doping
- record English performances for road running
- help coordinate road running fixtures in England and the United Kingdom
- advise and assist the Territorial Associations and their affiliated Clubs and Bodies in England in all matters relating to road running (including Championships)

The composition of the governing body for the English Road Running Association is as follows:

Four elected Officers:

Chairman, Treasurer, Secretary and Championship promotions Officer

Six Territorial representatives Two from the Midlands, two from the North and two from the South

The Management team is as follows:

Chairman:

Mike Neighbour Tel: 01256-20945 email: mike_jillneighbour@hotmail.com

Secretary:

Bob Brimage Tel: 01516777380 email: bobbrimage@hotmail.co.uk

Championship Secretary:

Ken Smith Tel 01617962232 email: coach.ken@btinternet.com

Treasurer:

Ken Taylor Tel: 01768772685 email: kt.k@btinternet.com

THE ERRA ROAD RELAYS CHAMPIONSHIP, INCORPORATING THE UK CHAMPIONSHIP:

The ERRA Senior Road Relays (6&4 Stage) to be held on October 7th, 2017, will be the first to incorporate this additional senior championship in both the men's and women's events.

The awards will be as follows:

ERRA medals and trophies will be awarded to the first 3 English teams.

UK medals will be awarded to the winning teams.

IMPORTANT INFORMATION

A RACE NUMBERS

Each Club Team has its own individual numbers 1, 2, 3 etc.

Numbers must be worn on front.

Teams must be declared no later than half an hour before the event

The letter on the number relates to the Leg being run:

MEN 1st 'A' 2nd 'B' 3rd 'C' 4th 'D' 5th 'E' 6th 'H'

WOMEN 1st 'A' 2nd 'B' 3rd 'C' 4th 'D'

B ALTERATIONS TO TEAMS

Alterations to teams during the race must be made 15 MINUTES before the commencement of the stage to be run and must be advised to the Referee.

C SAFETY OF RUNNERS ON THE COURSE

- All Team Managers should be aware that other than their actual leg runner, no other runners should be on the actual course running in either direction or across the course in front of the leading motorcycle or athletes whilst races are in progress. All runners will be informed of this over the public announcement system.
- The start is slightly downhill and the road is narrow. These factors have been considered and assessed according to the numbers of teams taking part.
- All runners should therefore be aware that at the start of each race:
 1. the width of the road is narrow
 2. the start is slightly downhill
 3. if the grass is wet on either side of the road then there is the possibility of athletes slipping on these areas
- Could you please request your athletes and supporters to keep clear of the traffic area (200 – 400m) before the finish. This is becoming a very congested area and your co-operation would be very much appreciated.
- 4 to improve safety and enable a smoother start of all the Young Athlete races the A team athletes from each club will be put at the front of the start then the B team athletes behind them

Thank you for your help.

D CHANGING FACILITIES

Changing and showering facilities are available at Wyndley Leisure Centre. Access to the Leisure Centre will be permitted on production of your race number. There may be a charge for use of the leisure centre

E THE START

As a result of the high number of entries and limited width of the start line the following restriction will apply to the start of all junior races.

At the front of the start line for each race , only one athlete from each club will be allowed . This should be the A runner. Clubs with multiple entries will have their B runners moved to the back of the A runners and C runners beyond that This is to ensure a smooth start with the fastest runners away at the front so minimising any falls and collisions in what the congested start area

Thanks for your cooperation

ERRA MEN'S 6 & WOMEN'S 4 STAGE RELAY STATS AT SUTTON PARK

Compiled and updated by Martin Duff from his complete collection of Athletics Weekly.
The men's six-stage championships rotated around the regions before finding its permanent home at Sutton Park in 1995. Since 2001, the lap distance has been fixed at 5,847 metres and Newham & Essex Beagles' winning 2009 time of 1:43:14 is the current best.

Chris Davies must be considered the men's course specialist with not only the current fastest at 16:25 but with two more times in the top seven.

The women's race too moved around before settling at Sutton Park somewhat earlier, in 1990, initially over three stages before switching to four in 1994. Originally it used a 4.35km loop before the present 4,315 metres lap was adopted in 1999. The winning Aldershot, Farnham & District time of 56:42 in 2013 is the course best.

Whilst Steph Twell's 2007 time of 13:41 is the official best over the present loop, Paula Radcliffe's 13:26 over the slightly longer 4.35km lap in 1993 has to be considered the record.

Due to the presence of the virus E'Coli in Sutton Park, the 2012 championship was held at Clumber Park but used shorter than normal stages.
