THE ENGLISH ROAD RUNNING ASSOCIATION (ERRA)

ERRA has now been in existence for more than 12 years. It evolved from the AAA of England Road Running Management Committee with the objective of having a similar organisation to represent road running at England level as ECCA does for cross country. ERRA is now described as a "Special Association" under the AAA's and is affiliated to England Athletics and will continue to flourish under the new arrangement for athletics in England. Many joint ventures are planned with England Athletics so that their partnership will be of benefit to road running in England.

The main activities of ERRA at present are as follows:

- organise the English National Road Running Championships, matches, competitions and Road Relays. The relays – both today's and the autumn relays – are English Championships, staged by ERRA. In the reorganisation ERRA became the Championship provider for English Road Running. So basically the relays are organised by the same organisation as in previous years.
- work with England Athletics on International road running affairs
- maintain the competition rules of UK Athletics in English Road Running Championships, matches and competitions.
- ensure events comply with the rules of the UK Athletics and International bodies in respect of doping
- record English performances for road running
- help coordinate road running fixtures in England and the United Kingdom
- advise and assist the Territorial Associations and their affiliated Clubs and Bodies in England on all matters relating to road running (including Championships)

ERRA GOVERNING BODY

The composition of the governing body for the English Road Running Association is as follows:

Three elected Officers	Chairman, Treasurer and Secretary
Six Territorial representatives	Two from the Midlands, two from the North and two from the South

Results for each race will be posted once the presentation has been completed

IMPORTANT INFORMATION

A RACE NUMBERS

Each Club Team has its own individual numbers 1, 2, 3 etc.
Numbers must be worn on front and back.

Teams must be declared no later than half an hour before the event

The letter on the number (red for long legs, black for short) relates to the Leg being run:

MEN

Long Leg	1st 'A'	3rd 'C'	5th 'E'	7th 'J'	9th 'M'	11th 'T'
Short Leg	2nd 'B'	4th 'D'	6th 'H'	8th 'K'	10th 'P'	12th 'V'

WOMEN

Long Leg	1st 'A'	4th 'D'		
Short Leg	2nd 'B'	3rd 'C'	5th 'E'	6th 'H'

B ALTERATIONS TO TEAMS

Alterations during the race must be made 15 MINUTES before the commencement of the stage to be run and must be advised to the referee. Athletes names must come from the competition entry list.

C SAFETY OF RUNNERS ON THE COURSE

- All Team Managers should be aware that other than their actual leg runner, no other runners should be on the course running in either direction or across the course in front of the leading motorcycle or athletes whilst races are in progress.
All runners will be informed of this over the public announcement system.
- The start is slightly downhill and the road is narrow. These factors have been considered and assessed according to the numbers of teams taking part.
- All runners should therefore be aware that at the start of each race:
 1. the width of the road is narrow
 2. the start is slightly downhill
 3. if the grass is wet on either side of the road then there is the possibility of athletes slipping on these areas
- Could you please request your athletes and supporters to keep clear of the traffic area (200 – 400m) before the finish. This is becoming a very congested area and your co-operation would be very much appreciated.

D MASS START

There will be a mass start of all remaining runners at approximately 4:15 p.m. to 4:30p.m.

Team managers should ensure that their athletes are aware of this and are available to receive instructions from 4:00 p.m. onwards

E FOREIGN ATHLETES

Senior and Junior age group athletes who are registered with UKA as foreign athletes may represent their First Claim English Club in the ERRA Relays on condition that they can demonstrate bona fide and unbroken residence in the UK and have been registered with UKA by January 1st in the year of competition (2017 this year).

No limits are applied to the number of Foreign Athletes in a relay team in the National Relays.

The ERRA is committed to the development of English endurance runners and expects Clubs to adopt the above principle when selecting teams but recognises the valuable contribution made to many clubs by those Foreign Athletes who have chosen to live in the UK"

Thank you for your help and cooperation.
