Cars from South and West

Again, drivers are advised to park away from Parliament Hill and perhaps take the London Overground Service to Gospel Oak which is less than 400m from the venue. This is also the Route to the Olympic Stadium.

Directions: On arriving on the outskirts of London get onto the M3 and continue until it merges with the A316 and proceed past Twickenham Rugby ground on the left. Continue until Old Deer Park is reached and opposite the Park there is a pay and display car park where vehicles can be left all day. The Richmond Station is about 400m away and trains go to Gospel Oak every 20mins. The journey from Richmond to Gospel Oak takes about 30mins.

Cars from the South East and East

Clubs from these areas have been attending the Southern Championships at Parliament Hill for many years and know the parking situation. The advice is to park away and use public transport. Kentish Town Station is only a 15 minute walk from the venue, while Gospel Oak can be reached from North Woolwich and many other Stations on the route.

Public Transport into London

If you are travelling to Kings Cross or Euston you can get to Parliament Hill via Bus or Underground Train. The 214 Bus route goes from Kings Cross Stn to Highgate Rd, near Parliament Hill (Bus stop William Ellis School) every 10mins, this journey takes about 30mins. Other bus routes stopping at Highgate Rd include the Bus 88; Moorgate to Parliament Hill – the Bus 214 and the C11 which comes from Brent Cross where there a large Shopping Centre and Car Parking. Underground Stations within walking distance of Parliament Hill are Tufnell Park or Kentish Town less than a mile away and Belsize Park or Hampstead about 1 mile walking distance.
