FOREIGN ATHLETES

Senior and Junior age group athletes who are registered with UKA as foreign athletes may represent their First Claim English Club in the ERRA Relays on condition that they can demonstrate bona fide and unbroken residence in the UK and have been registered with UKA by January 1st in the year of competition.

A club can enter as many foreign athletes as they wish, but only 2 (two) can be selected in a team. This applies to both A & B teams

The ERRA is committed to the development of English endurance runners and expects Clubs to adopt the above principle when selecting teams but recognises the valuable contribution made to many clubs by those Foreign Athletes who have chosen to live in the UK"

COVID-19 PRECAUTIONS

Registration will only accept one team manager from each club.

This team manager MUST collect ALL the club's team numbers and distribute between age groups.

The English Road Running Association (ERRA)

ERRA has now been in existence for more than 18 years. It evolved from the AAA of England Road Running Management Committee with the objective of having a similar organisation to represent road running at England level as ECCA does for cross country. ERRA is now described as a "Special Association" under the AAA's and is affiliated to England Athletics and will continue to flourish under the new arrangement for athletics in England. Many joint ventures are planned with England Athletics so as to benefit road running in the future

The main activities of ERRA at present are as follows:

- organise the English National Road Running Championships, matches, competitions and Road Relays.
- select and manage teams to represent England in road running matches and competitions
- represent England on International road running affairs
- maintain the competition rules of UK Athletics in English Road Running Championships, matches and competitions.
- ensure events comply with the rules of the UK Athletics and International bodies in respect of doping
- record English performances for road running
- help coordinate road running fixtures in England and the United Kingdom
- advise and assist the Territorial Associations and their affiliated Clubs and Bodies in England in all matters relating to road running (including Championships)

The composition of the governing body for the English Road Running Association is as follows:

Four elected Officers:

Chairman, Treasurer, Secretary and Championship promotions Officer

Six Territorial representatives Two from the Midlands, two from the North and two from the South

The Management team is as follows:

Chairman:

Mike Neighbour Tel: 01256-20945 email: mike_jillneighbour@hotmail.com

Secretary:

Bob Brimage Tel: 01516777380 email: bobbbrimage@hotmail.co.uk

Championship Secretary:

Ken Smith Tel 01617963323 email: coach.ken@btinternet.com

Treasurer:

Jean Simpson MBE Tel: 0161 724 7928 email: jl.jdsimpson@btinternet.com

IMPORTANT INFORMATION

Numbers will be available at Registration FROM 10:00.

ALL TEAM MANAGERS are recommended to ensure that their athletes are aware of the course, maps are in the programme, on line at sportsoft, and on the registration van.

Young Athletes, as always, are recommended to have walked the course, before the races start.

ATHLETES ARE REQUESTED NOT TO WARM UP / DOWN IN CLUB VESTS WITH THEIR RACE NUMBERS SHOWING.

THIS CAUSES PROBLEMS FOR THE RACE MARSHALS.

WEB ADDRESS FOR RESULTS

SPORTSOFT

www.race-results.co.uk

IMPORTANT INFORMATION

A RACE NUMBERS

Each Club Team has its own individual numbers 1, 2, 3 etc.

Numbers must be worn on front.

Teams must be declared no later than half an hour before the event

The letter on the number relates to the Leg being run:

MEN	1st	'A'	2nd	'B'	3rd	'C'	4th	'D'	5th	'E'	6th	'H'
WOMEN	1st	'A'	2nd	'B'	3rd	'C'	4th	'D'				

B ALTERATIONS TO TEAMS

Alterations to teams during the race must be made 15 MINUTES before the commencement of the stage to be run and must be advised to the Referee.

C SAFETY OF RUNNERS ON THE COURSE

- All Team Managers should be aware that other than their actual leg runner, no other runners should be on the actual course running in either direction or across the course in front of the leading motorcycle or athletes whilst races are in progress. All runners will be informed of this over the public announcement system.
- The start is slightly downhill and the road is narrow. These factors have been considered and assessed according to the numbers of teams taking part.
- All runners should therefore be aware that at the start of each race:
 1. the width of the road is narrow
 2. the start is slightly downhill
 3. if the grass is wet on either side of the road then there is the possibility of athletes slipping on these areas
- Could you please request your athletes and supporters to keep clear of the traffic area (200 – 400m) before the finish. This is becoming a very congested area and your co-operation would be very much appreciated.
- 4. to improve safety and enable a smoother start of all the Young Athlete races the A team athletes from each club will be put at the front of the start then the B team athletes behind them

Thank you for your help.

D CHANGING FACILITIES

Changing and showering facilities are available at Wyndley Leisure Centre. Access to the Leisure Centre will be permitted on production of your race number. There may be a charge for use of the leisure centre

E THE START

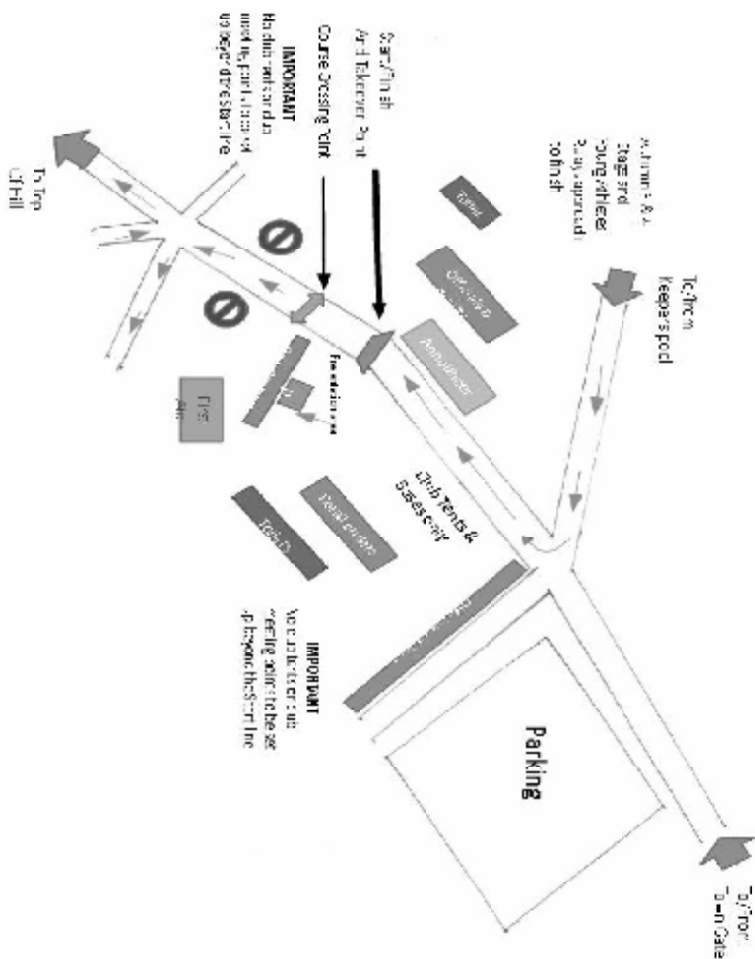

As a result of the high number of entries and limited width of the start line the following restriction will apply to the start of all junior races.

At the front of the start line for each race , only one athlete from each club will be allowed . This should be the A runner. Clubs with multiple entries will have their B runners moved to the back of the A runners and C runners beyond that This is to ensure a smooth start with the fastest runners away at the front so minimising any falls and collisions in what the congested start area

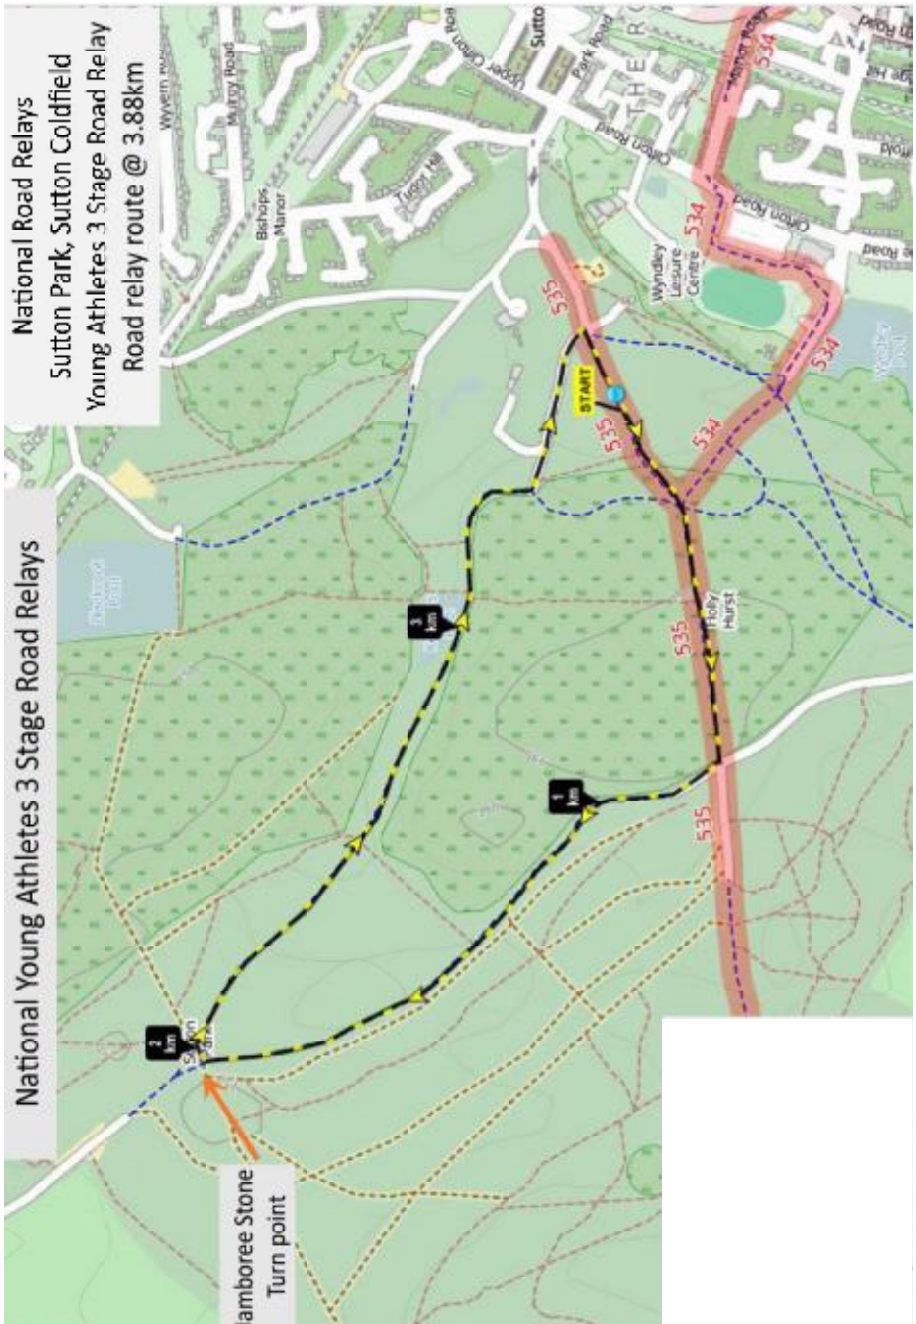

Thanks for your cooperation

ERRA MEN'S 6 & WOMEN'S 4 STAGE RELAY STATS

AT SUTTON PARK

Compiled and updated by Martin Duff from his complete collection of Athletics Weekly.

The men's six-stage championships rotated around the regions before finding its permanent home at Sutton Park in 1995. Since 2001, the lap distance has been fixed at 5,847 metres and Newham & Essex Beagles' winning 2009 time of 1:43:14 is the current best.

Chris Davies must be considered the men's course specialist with not only the current fastest at 16:25 but with two more times in the top seven.

The women's race too moved around before settling at Sutton Park somewhat earlier, in 1990, initially over three stages before switching to four in 1994. Originally it used a 4.35km loop before the present 4,315 metres lap was adopted in 1999. The winning Aldershot, Farnham & District time of 56:42 in 2013 is the course best.

Whilst Steph Twell's 2007 time of 13:41 is the official best over the present loop, Paula Radcliffe's 13:26 over the slightly longer 4.35km lap in 1993 has to be considered the record.

Due to the presence of the virus E'Coli in Sutton Park, the 2012 championship was held at Clumber Park but used shorter than normal stages.
